About Me

Hello! I'm Siti Salmah, usually called Salmah. I am a student at Pamulang University, Faculty of Computer Science, information systems study program, first semester. The reason I majored in information systems is because I am interested in the world of technology. I am a 24 year old teenager, I have worked in a health service center at one of the hospitals (Mayapada Hospital Tangerang) as a nurse assistant, I also have experience with the SBH Sepatan scout organization (Saka Bakti Husada) for approximately 2 years (2016-2018) with position as secretary..

Age	24

Skill

Work Experience

Nursing Assistant at Mayapada Hospital Tangerang

November 2018 - October 2023

I work at PT. Unggul Cipta Indah which collaborates with Mayapada Hospital Tangerang, as a nursing assistant.

During the organization at Saka Bakti Husada

June 2016 - May 2018

I was entrusted with being the secretary, I was tasked with helping make activity proposals, correspondence and also acting as a note taker at meetings.

PKL(field practice) at Mitra Husada Hospital

February 2017 - April 2017

Teluk Naga during the PKL process I had quite good work experience as a health worker, helping patients who were being treated, providing services to patients.

Education

Nursing Departement from Bintang Nusantara Vocational School

2015 - 2018

Leverage agile frameworks to provide a robust synopsis for high level overviews. Iterative approaches to corporate strategy foster collaborative thinking to further the overall value proposition.
